FAZON SAT

DALI FAZON SAT

Innovative design and performance - united in the new DALI FAZON SAT.

Developing a premium loudspeaker in the lifestyle segment has been a great challenge, since ultra-compact design and performance typically work against each other. However, the compact and attractive FAZON SAT offers a huge soundstage with bass reproduction that you wouldn't think possible judged by its size, proving that it is possible to build small, powerful loudspeakers with true hi-fi sound.

FAZON SAT is a two-way design including a 4½" mid/woofer with wood fiber cone and an oversized 28mm/1.1" soft dome tweeter with a powerful neodymium magnet system. The drivers share the same technology platform as the drivers developed for the acclaimed MENTOR and IKON series.

Equipped with a 360° pivoting wall bracket, FAZON SAT offers a flexible and innovative "Twist 'n' Tilt" function. You can angle the speaker precisely horizontally and vertically; tilt it up or down, swivel it to either side and even mount it upside down.

The speakers are delivered with a handy table stand for easy placement on a TV table, bookshelf, etc.

The elegant and curved cabinet body is a combination of high gloss lacquered aluminium and composite material for the baffle. The surface of the baffle is treated with a rubbery coating for a smooth, elegant touch. The grille, which conceals and protects the drivers and the baffle, is held in place with magnets - allowing quick, easy removal with no visible signs of mounting pegs on the grille. Simple and stylish.

Technical Specifications:

Frequency Range [+/- 3dB, Hz]	86 - 25,000
Crossover Frequency [Hz]	1,800
Sensitivity [2.83V/1m, dB]	86
Nominal Impedance [ohm]	6
Maximum SPL [dB]	104
Enclosure Type	Closed Box
Recommended Amp. Power [W]	20 - 120
Terminals	Single-wire
Dome Tweeter [mm]	1 x 28
Low Frequency Drivers [inch]	1 x 4½
Dimensions [H x W x D] [cm] (Wall mounted)	25.5 x 13.8 x 13.8
Dimensions [H x W x D] [inch] (Wall mounted)	10.0 x 5.4 x 5.4
Dimensions [H x W x D] [cm] (Stand mounted)	28.7 x 14.6 x 17.2
Dimensions [H x W x D] [inch] (Stand mounted)	11.3 x 5.8 x 6.8
Weight [kg/lb]	2.4/5.2
Accessories included	Table Stand + Wall Bracket
Finish	Black or White High Gloss Lacquer
